Looking for unique authentic things to do in a city?
Read on.

What is Instahop?

Instahop is the new way to explore a city. We match you with a local host who shares your experience and passion. The local host ensures that you explore the city in a way that you'll never forget.

How does it work?

Local hosts create experiences based on their insights, personality, and expertise. You select your interests and we'll show you a range of experience to choose from. You pick the experience and get to personalize it in consultation with your host. And Voila! You have an ideal experience that fits exactly what you're looking for.

How do I book an experience?

Booking a unique private Instahop experience is very easy and can be completed by following a few simple steps.

1. Log in to your account
2. Search and select your destination
3. Select the interests and the language that appeal to you
4. Select the number of people
5. Browse through the unique experiences available in the destination, select the one you like the most
6. Pick the date and starting time of your choice to see availability
7. Complete your reservation by pressing "Book now"

FAQ

How do I create my account?
